No single magic bullet to behaviour change

Interview with Professor Mike Kelly

Former Director of the Centre for Public Health at the UK National Institute for Health and Care Excellence (NICE)

Plenary and Workshop speaker at the Care for Cancer Summit in June!

[Read the interview](#)

How to take cancer patients to the gym

Dr. Ingrid Demmelmaier, Associate Professor at Uppsala University and co-organizer of the workshop **Physical Exercise in Cancer Care** explains why its important that decision-makers join in the discussion around this cheap solution to efficient cancer care.

Need a scholarship to participate?

We still accept applications for our scholarship programme (**until April 3rd**) which enables delegates from low and middle-income countries to participate in our summit. Thanks to generous support from the **Uppsala Monitoring Centre (UMC)**, we can offer ten delegates travel to Uppsala and accomodation during the conference days.
